Seeking Cast Party Scene Parents for a Merry Mini Nutcracker

Parent participation is such a beautiful way to show your child that what they are doing in the ballet production is important. Plus, it's a lot of fun, costumes are provided, and a stage experience is necessary!

We need two or three more Party Scene Moms and three or four Party Scene Dads. There is a sign up sheet on the front credenza. Rehearsals for party scene parents begin on November 18th at 4:15. Rehearsals will follow the children's party scene schedule thereafter until the performances on January 6th!

Backstage Volunteers

You can also get involved by volunteering backstage. The sign up sheet is on the front credenza and has openings for backstage volunteers for the January 6th performances.

We are also getting option **'backstage crew' tee shirts**, long sleeve tees and hoodies for \$20 each. Every family received an order form at last rehearsal. If you have not ordered yours, we are leaving Nutcracker flyers and memos on the fireplace in the lobby. **Tee orders due tomorrow, Nov 1!**

Nutcracker Cast Info

Dancers who need tights and camisoles for wearing under their costume, please bring them with the front desk this week to ensure timely arrival.

A Merry Mini Nutcracker Tickets

Tickets are now on sale for our January 6th performances at The Olmsted Theater at Aelphi University for the 12:30, 3pm and 7pm shows.

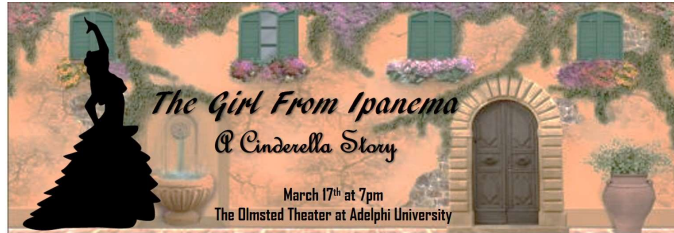

Seating is assigned.

Tickets may be ordered online for next best available seating. If you prefer to select your own seats, you may come in to order tickets during in-studio box office hours, 2-4pm every Sunday during rehearsals.

Please note that Umbrella Dance pre-ballet parents will be encouraged to sit within a designated seating area (side-middle) and are therefore encouraged to order tickets online. This is to prevent your child from seeing you while on stage, as front row seating is stage level in this theater.

Visibility is wonderful from all seats but seating is limited in the Olmsted Theater so order tickets early.

Please direct ticket-related questions to boxoffice@integralballet.com for a response during next box office hours.

Spring Company Auditions

Company participation is a level up from regular class participation. It gives dancers a more authentic performance and rehearsal experience and allows them to better understand what their in-class training leads to. Choreography is more advanced than recital students receive. Junior and Senior company learn 30-40 minutes of choreography. The performance is a full story-line length ballet.

Spring Company auditions will take place on Saturday January 5th at 4pm for Junior and Pre-Company and 4:45 for Senior Company and pointe dancers. Participation fees are due on January 5th.

The Spring Company concert is our fundraiser performance to raise money for various charities including American Lung Association, Dreas Dream, and Lungevity.

This year's performance will be titled "The Girl From Ipanema: A Cinderella Story" to the music of Santana and will now be held on Sunday, March 17th at the Olmsted Theater at Adelphi University. As for Nutcracker, auditions are a commitment to participation and used for casting parts only. Children rehearse on Sundays between 4 and 7pm for 8-10 weeks.

Pre-registration to audition is required. [Register to audition here.](#)

Recital Costume Balance

We have finalized our Recital 2019 cast list and are preparing our costume order. We order one size up from measurements so slight alterations are to be expected.

Final costume invoices will be distributed this week. Payments are due November 15th so that we may place a timely order. Balances can be paid at the studio or online by [clicking here](#). The invoice will also indicate the size which we intend to order and the spelling of your child's name for the printed recital program.

The recital will take place Sunday, June 16th at the Brookside School as per our summer survey preferences. Recital info packets with details about dress rehearsal, portraits, booster and bouquet orders and DVD orders will be distributed in February.

Daddy Daughter Sugarplum Ball

Daddy/Daughter Sugarplum Ball
