Please briefly share the specific financial difficulties that you face this year or why you particularly qualify for a student teaching role:

___ (Initial) Students will only be considered for student teaching as red and black belts meeting their minimum class requirements with minimal absenteeism. Student teachers must maintain an enthusiastic and supportive attitude and serve as role models for their young students. Student teachers must participate in all company productions, including spring company concert, the Nutcracker and various lecture demos performed throughout the school year, and help at the recital in spring. Student teachers are expected to study throughout the school year and summer. Student teaching is a full school year commitment and should be treated as a job.

___ (Initial) I acknowledge that teachers and administrative staff, including board members who are also on the teaching or administrative staff, are barred from selecting scholarship recipients. Teacher input is considered only regarding the student's progress and performance during class time.

___ (Initial) Infractions upon staff time including behavioral issues, absenteeism, late pick-up, late class arrival, delayed payments for costumes and other bills, and other administrative time will be considered with each work-study application. Applicants will not necessarily be forewarned for documented infractions.
